2. A customer of the Company has been retaining amounts aggregating Rs. 305.27 lakhs as at June 30, 2022, in respect of Service Tax / GST levied by the Company on reimbursement of expenses. During the quarter ended June 30, 2022, the Company has obtained an amendment to the contract whereby the customer has agreed to reimburse the GST on receipt of tax invoice with applicable GST duly supported with original vouchers in respect of the on going contracts. Accordingly, the Company has recovered an amount of Rs. 27.83 lakhs on account of past dues. The Company is currently in discussion with the customer for recovering the retained amounts in respect of past contracts and Management believes that they have a strong case to collect the outstanding amounts and accordingly no provision has been made thereon. The review report has been modified to that extent in this respect.
3. During the year ended March 31, 2009, the Office of the Commissioner of Customs (Preventive) had seized three helicopters for alleged non compliance of the duty waivers given to non-scheduled operators (passenger). The Company had received a Show Cause Cum Demand Notice (SCN) citing an amount of Rs. 2,379.24 lakhs towards custom duty under Section 28 of the Customs Act, 1962 and applicable interest and penalty thereon. Persuant to the receipt of the said SCN, the Commissioner of Customs (Preventive) had confirmed a demand of Rs. 2,621.95 lakhs towards differential duty of customs and penalty thereon for two helicopters. The Management believes that the Company is in compliance with the relevant customs and other regulatory guidelines in this respect, based on a decision in a previous year from Custom Excise and Service Tax Appellate Tribunal (CESTAT) West Zonal Bench, in favour of the Company on a similar matter and on an opinion from an external legal expert and that the demand being contested by the Company will be set aside by the higher appellate tribunal. An amount aggregating Rs. 538.26 lakhs has been paid as duty under protest during the year ended March 31, 2010. An emphasis of matter has been given in the audit report.
4. The Company is engaged in providing helicopter services in India, which is considered as one reportable segment. There are no separate reportable segments as per Ind AS 108 Operating Segments.
5. The figures for the quarter ended March 31, 2022 as reported in these Financial Results are the balancing figures between audited figures in respect of the full financial year ended March 31, 2022 and the published year to date figures up to the end of the third quarter of the previous financial year which were subjected to a limited review.
6. The figures for the corresponding previous periods have been regrouped / restated, wherever necessarily to conform with current period's classification
